7                   MINUTE ORDER

8                   The following Minute Order is made by direction of the Court, the Honorable  
9                   Thomas S. Zilly, United States District Judge:

10                  (1) On May 19, 2025, claimant Stephen Dufrene filed a motion, docket no. 66,  
11                  to compel certain depositions or alternatively to extend certain deadlines. On May 20,  
12                  2025, Dufrene filed a related proposed order, docket no. 67, which was incorrectly  
13                  captioned and noted as a motion. On May 27, 2025, Dufrene filed a document labeled an  
14                  “agreed motion,” docket no. 69, that indicates the parties have agreed to specific dates for  
15                  the depositions of Tradewinds Towing, LLC’s corporate representative (June 19, 2025),  
16                  Nelson Esquibal (June 23, 2025), Captain Grady (June 23, 2025), and Captain Grosshans  
17                  (June 23 or 24, 2025). In light of the parties’ agreement, Dufrene’s motion to compel,  
18                  docket no. 66, and related proposed order, docket no. 67, are STRICKEN as moot.

19                  (2) In his “agreed motion,” docket no. 69, Dufrene asked that certain deadlines  
20                  be extended, but he made no representation and included no certification by counsel that  
21                  the opposing parties were consulted and consented to this request. Nevertheless, given  
22                  the parties’ agreement concerning the deposition schedule outlined in Paragraph 1, the  
23                  Court will sua sponte adjust the following deadlines:

17                  Disclosure of expert testimony pursuant to  
18                  Federal Rule of Civil Procedure 26(a)(2)

July 14, 2025<sup>1</sup>

19  
20                  <sup>1</sup> Dufrene proposed different disclosure deadlines for plaintiffs and defendants. Dufrene is  
21                  neither a plaintiff nor a defendant in this action, and all other entities are denominated as  
22                  plaintiffs. Thus, Dufrene’s different deadlines might cause confusion concerning which parties  
23                  must comply. The parties may agree among themselves on staggered deadlines, which may be  
                adjusted beyond the date set in this Minute Order, provided that all parties will have disclosed  
                their experts on or before July 29, 2025.

Discovery completion date September 18, 2025

Deadline for filing motions related to expert testimony (e.g., Daubert motions) October 2, 2025

(3) This matter remains set for a five-day bench trial to commence on November 3, 2025, and all dates and deadlines not inconsistent herewith that are set forth in the Amended Minute Order Setting Trial Date and Related Dates, docket no. 65, shall remain in full force and effect. In addition, the Court designates this case for mediation pursuant to Local Civil Rule 39.1(c), and ORDERS as follows:

Deadline for selecting a mediator June 30, 2025

Mediation deadline October 2, 2025

(4) The Clerk is directed to send a copy of this Minute Order to all counsel of record.

Dated this 3rd day of June, 2025.
